HBA - COMPEN$ATION Potential

(From Promoting HBA's Products & Services - via their own Affiliate Program)

Revenue Streams - Ok, FIRST, there are "many" different sources of income & cash flows available, from **HBA's** "own" products & services alone … **BUT**, the far "bigger picture" - from using the HBA Business & Training Platform - could be grouped into **(3) M.A.I.N. Sources** (for busy Entrepreneurs / Home eBiz Owners / Moms & Dads / Professionals / etc)**:**

1) Those wishing to grow / expand their "existing" business, using HBA's Marketing Tools (Store Owner / Restaurateur / Network Marketer / Designer / etc. With just their $25/mo 'Funnel Builder' alone).

2) Those wanting expert "training" for how to create their own Affiliate Marketing Online eBiz (a NICHE) to market "other" people's products & services - like becoming a Clickbank or Amazon Affiliate).

3) Those who wish to "promote" **HBA** to others, using its **Affiliate Program** (**80%** comm).
