Public Notice

Change in 911 dispatching services

Newberry Springs Fire Department will be changing emergency dispatch service providers.

All current 911 services provided by Desert Communications, will be transferred to California Department of Forestry and Fire, CALFIRE.

Effective Date: 1 July 2009
Time: 12:00 a.m.

All current Burn permits and future permits will be processed through Calfire Dispatch.

Contact phone number:
909-881-6916 / 909-883-1112
THESE ARE NOT EMERGENCY LINES.

All current burn permits will remain active until the expiration date has been reached. It is requested that all patrons that have active burn permits to contact the CSD office to record your permit change over.

We apologize for any inconvenience this may have caused, but it is a required service contract change.

Respectfully,

R.M. Springer

Fire Chief Newberry Springs
