COMPENSATION PLAN

Anovité offers the exact same **Financial Rewards Plan** - for EVERYBODY. It is both simple - and lucrative … with fifteen (15) separate ways to get paid. Unlike many companies - that focus primarily on recruiting people, Anovité **Affiliates / Associates** are paid "when their products are purchased" by their Customers. There are NO start-up costs / NO upfront capital needed / NO monthly or annual fees / NO purchases required / NO personal guarantees. Stay for 8-days … 8-years - there is NO cost.

SUPPORT - The Company provides, at NO charge: a highly-automated Marketing System / full Professional Training / Personal Coaching … making it especially "ideal" for today's very busy, ("non-sales") Health Professionals. Also, my OWN Team has "superb" leadership at the top! **:>)**

What sets **Anovité** apart here is - YOU can still earn $$$ … "without ever purchasing Anovité PRODUCTS yourself" (although you'll likely WANT to! :>) … and/or … "without ever building an **Anovité** BUSINESS yourself. Nice.

If you have at least one (1) Customer … who places an order of **$50** or more (if you did not place an order yourself) - in the past 30 days - YOU qualify to earn commissions.

The Anovité plan operates on a BINARY Compensation structure - which means you build two (2) TEAMS: a left leg + a right leg. You earn commissions based on the sales volume in both teams, and the plan is designed to reward you for "balancing" the sales between both sides, over time. Your commissions are determined by the "product volume" assigned to each product - or to product package … but what is unique about **Anovité's** BINARY System is this … YOU qualify for different "ranks" too - based on the actual "dollar amount" of the sale.

In "addition" to the generous BINARY commissions - Anovité also offers several other ways to earn. For example - Leadership Pools, that reward top performers, with shared BONUS funds - Lifestyle BONUSES, for hitting specific income, or volume, goals - Matching BONUSES, where you earn a percentage of your Affiliates' earnings. There's also a Fast Start BONUS, on the first order of any new Customers (or Associates) that you enroll. Associates get paid every week - which means they can see the rewards of their hard work, on a regular basis.
