NaRack Dobermans, LLC

This agreement is between Aimee Rackham of NaRack Dobermans, LLC here by referred to as Breeder, and _____ here by referred to as Buyer.

This agreement refers to _____, whelped on _____ AKC# _____

Sire: _____ AKC# _____ Dam: _____ AKC# _____

here by referred to as Dog or Doberman Pinscher.

This Doberman is guaranteed by NaRack Dobermans as follows:

- The Dog is being purchased from Breeder by Buyer for \$750
- The Dog is a purebred Doberman Pinscher.
- The litter is registered with the American Kennel Club as indicated above and an individual registration form will be furnished to the buyer after the breeder has received payment in full.
- To the best of the Breeders knowledge, this Doberman is free of communicable diseases and birth defects and that at time of sale the Doberman was in excellent health. The Doberman has received appropriate medical inoculations and care. Breeder will provide Buyer with a copy of the puppy's medical record detailing medical treatment Doberman has received under Breeder's care and future recommended care Breeder feels is essential to Puppy's well being and continued good health. I.e. worming, flea & tick treatment and heart worm medication.
- No one can Guarantee Genetics, but the Breeder guarantees that if your Doberman should die prematurely (before the age of 6) from a genetically caused problem, the Breeder will give you another puppy from the next available litter upon receipt of AKC registration, heartworm preventative and vaccination history of the deceased dog.
- Breeder will be available for the life of this Doberman to answer any questions or provide help in any way.
- Buyer is encouraged to take the Doberman to a licensed veterinarian within 72 hours after taking possession, for a post purchase general health examination by their own veterinarian. If during this health exam the Doberman is found to have a serious health problem, the Buyer must return the Doberman with the Veterinarian's written certification as to the health problem. Upon return of the Doberman along with the Vet certification, the buyer will receive another Doberman of equal value. Return of the Doberman must be done within the 48 hours of Buyer's Vet determination.
- Breeder will not provide a refund or exchange for any Doberman which was injured or became sick after leaving the Breeders premises. Buyers are admonished to limit the exposure of their new puppy to other dogs and outside high traffic dog areas until the puppy is at least 16 weeks old and has been given its last or third (3rd) puppy vaccination.
- Buyer agrees that this Doberman is NOT to be LEFT IN A BACKYARD OR KENNEL unattended. Buyer agrees to provide a fenced back yard for the Doberman, or invisible fencing and not leave the Doberman outside unattended. This Doberman is being sold with the agreement that it is being placed with carefully screened parties and that Buyer AVOWED the Doberman would become a member of the family and reside indoors as a member of their family.

- Buyer agrees to maintain preventative health care of the Doberman including, but not limited to: annual inoculations, treatment as needed for internal as well as external parasites, and heart worm preventative medication.
- Breeder is selling this Doberman specifically for home pet/companion purposes; this Doberman has been bred to the breed standard physically and for a healthy, sound, loving temperament, which should also be naturally protective of his family and home. This Doberman has also been bred for intelligence and an aptitude to compete and win in Obedience and Agility trials.
- Breeder strongly recommends that Buyer enter and complete at least two (2) basic obedience classes with the Doberman and provide proper socialization opportunities for the Doberman.
- Buyer understands that the Breeder would like all puppies (if possible) to obtain at least one Obedience, or Agility title. The Breeder will pay a \$50 rebate for a copy of the first AKC title certification provided by the Buyer in the aforementioned areas for this Doberman. This is not a requirement for purchase, just a strong recommendation for validation of Doberman type and temperament.
- Buyer understands that some of the puppies in this litter of Dobermans are being sold with limited American Kennel Club (AKC) registration. Limited registration precludes Buyer from showing Puppy in conformation breed shows and from registering any litters produced or sired by the Doberman. Limited registration does entitle Buyer to register the Doberman with AKC and attend sanctioned obedience, agility and freestyle events. Buyer agrees to take all measures necessary to insure that the Doberman is not mated, and does not have the opportunity to sire or deliver a litter or litters. Buyer agrees that the Doberman will be spayed or neutered by 18 months of age. Buyer agrees to provide Seller with proof of spay/neuter within 18 months after purchase date as shown below.
- On rare occasion the Pick of Litter Doberman may be sold with full registration.
Is this a Pick of Litter Puppy?: _____ Limited Registration?: _____
- Buyer understands that this is a non-transferable contract.
