Bus Drivers

Bus drivers shall meet all qualifications necessary to be licensed by the state. They shall attend meetings with the district administrator and bus driver in-service sessions when scheduled.

The bus driver's primary responsibility is to provide for the safe transportation of students. Bus drivers shall have the authority and responsibility for enforcing all state and local rules and regulations applicable to bus riders. Specifically, they shall be expected to instruct their riders on matters such as:

a. the safe operation of windows;
b. the proper method of rapid evacuation of the bus;
c. the proper procedure to follow in emergencies; and
d. student conduct.
