---------- **Errors & Omissions Excepted** (E&OE) ----------

CANDID REVIEW - **This 5-Page PDF is "long" - but it is 100% honest, and completely unvarnished.**

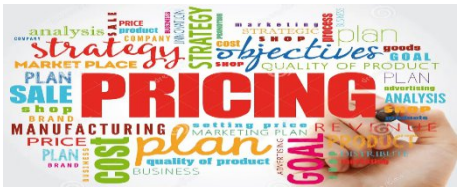
Q: First, **could LiveGood** 'possibly' offer us … More FREEDOM in our lives … more **HEALTH Freedom + FINANCIAL Freedom + TIME Freedom** => in **ONE** place? Hmmm.

To begin, LiveGood - founded in 2022, is located in Florida. It operates globally - has **50+** Health & Wellness products - has **2 million+** members & is growing very fast. >>>>>> Corp. TEAM.

Some say it operates primarily as - a "Membership-Based, Deep Discount, Buyer's Club". YES, it IS like a **Costco** or Sam's Club.

Ben Glinsky, Founder and CEO, is an 'enthusiastic visionary' (3-min INTRO video) >>> HERE.

PRODUCTS - LiveGood *stresses* its HIGH quality / LOW cost Health Products (i.e. supplements, skincare, etc / etc), and second, its Home eBusiness Opportunity. Their products include … Magnesium … … Multivitamins / Coffee + many others - for weight loss / sleep quality / inflammation / muscle recovery / probiotics / immune system care / cardiovascular health / liver support / energy / pets -- all being manufactured in the USA, at cGMP and NSF full 'certified' facilities. Many of LiveGood's products are **USDA Organic** ('Certificates of Analysis' **PROOF** - Click HERE).



LiveGOOD offers high value PRODUCTS … virtually, at COST (like in COSTCO) ... being a massive "Buyer's Club" marketplace. **HOW can they do this?** For one thing **…**

NONE of the (4) Corporate Execs at LiveGOOD receive ANY "salary" whatsoever - NONE - Nada. In fact, the only persons who do, are the Warehouse Manager & the Customer Service Rep! This decision was just one (of 'many') that LiveGOOD adopted - to help keep their "overhead costs" to a BARE MINIMUM - being a LARGE benefit for their CUSTOMERS. Corporate incomes come from [their "fast growth"] company PROFITS.

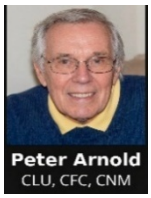
Have a look at their >>> Super GREENS - and >>> Super REDS. As stated, their emphasis is always >>>>>>>>>>> HIGHEST Quality, at LOWEST Cost.

LiveGood considers our **HEALTH** the major reason for their beginning, in 2022 - and rightly so. They've addressed this - with their Health Products. Corp. Leader, Dr. Ryan Goodkin, features constantly >>>>>>>>>>>>>>>>>>> The "**Health Assessment**" >>>>>>>>>>>>>>>> Click HERE. As well, LiveGood developed a simple way to give its Affiliates generous **FINANCIAL** Rewards.

The FUTURE? - What does LiveGood see, planning ahead? >>>>>>>>>>>>>>>>>> See HERE.

Our personal H-E-A-L-T-H is our "first", and "most precious", ASSET - on planet earth => bar none!

HEALTH? = Proper Diet + Exercise [control weight] + Supplements + Mindset + DE-Stress ++



TRUST? As I write this REVIEW of LiveGood, I realize that you likely don't know anything about ME personally - so why SHOULD you "take my word" for this? With your permission, may I share with you some *warm comments* I have received from clients - for which I'm *eternally grateful*? >>>>>>>>>>>>>>>>>>>> KIND WORDS.

Up Front - My background is as a Business & Financial Consultant, mostly for Health Pros, and Entrepreneurs, in Canada and the US. Also, I am a *strong* Natural Health & Wellness Advocate - believing in the true "power" of proper NUTRITION for ourselves and our families.

NETWORK MARKETING? I have also personally, been involved in *many* different Home eBusinesses - some good - some NOT so good - and in Affiliate Marketing / Network Marketing / NWM / MLM / Direct Marketing / etc. And frankly, it is "not always easy" to *evaluate* any potential Home-Based eEnterprises - and this is why I wish to be "brutally **frank**" here.

This, in particular, has always been *one of my "pet peeves"* - since I have a *background* in NWM (Network Marketing - which is what **LiveGood** is :>). Since I was privileged to serve on the Board of Directors - of the "Association of Network Marketing Professionals" (ANMP.com) - for four (**4**) years - during which I represented my country, Canada - I must say - that experience alone - gave me a ***deep inside look*** at so many different Companies / CEOs / etc - Pro and CON - and so, I feel that at least … I do have a "reasonably" good FEEL for this industry - and thus, I've *always* advised people - to simply "tread very carefully" when they consider any such (NWM / Network Marketing) Home Business. Some of my private thoughts, on NWM >>>> Click HERE.

NOT PERFECT Consequently, as good as LiveGood might be - like ALL things created by we "humanoids" - it is still NOT perfect, in my view. I feel it does have a few "flaws" - and likely, a few "critics". However - and with **NO hype** … let's continuue**:**

II Total MEMBERSHIP cost = (only **$9.95/mo - $99.95/yr** US**) II**

Ok, **IF** you think you **might** be interested in ALSO generating a part-time (or even a FULL-time) INCOME from this, become an AFFILIATE (**$40** - once only, for LiveGood) … then - you simply tell / share this idea - with MANY "others".

Share with family / friends / neighbors / relatives / associates / health pros - on Social Media / Facebook / Twitter / YouTube / etc / etc … and, join their Private FB Groups. Also, pass out Biz Cards, *everywhere* (see below for that).

In addition to every Mom / Dad / Brother / Sister / Aunt / Uncle / Cousin / Grandparent - go for MDs / NDs / PHDs / Health Enthusiasts / Weight Mg't. Seekers / Natural and Alternative Health Supporters / Present 'Supp. Users / Network Marketers - Affiliate Marketers - Entrepreneurs / Those with Specific Health Concerns / Issues / Seniors / Holistic Health Advocates / etc. … the market is truly, ENDLESS … YES..

COMPENSATION Plan - (7) Ways - for LiveGood Affiliates:

ALERT: Unlike the *vast majority* of Network Marketing companies out there today ... LiveGOOD's Compensation Plan pays its Affiliates their commissions - from its "Membership Volume" - rather than from [the all-too-typical**] >> heavy >> "Product Price MARKUPS! CEO's (**7-min**) Video - HERE!**

EXPERIENCE? Perhaps you already have a background in Network Marketing / Affiliate Marketing / Direct Sales (or you're currently involved in one … like each one of the LiveGood "Leadership Team" Execs certainly had been).

OR, maybe you have not had such experience - it truly does NOT matter. All you really need to do is SHARE the LiveGood Health PRODUCTS + eBiz OPPORTUNITY - with many others.

PROMOTE: Again, simply "tell others" about LiveGood - let them know that you feel this is "something very special" (assuming you DO) and promote it ONline and OFFline - at work / school / the gym / with family / friends / associates / health professionals / on Social Media / Facebook / Twitter / LinkedIN. You could also get some *inexpensive* **Biz Cards** (at VistaPrint - to pass out, saying - Want BETTER HEALTH? - also pick up a URL to put on them (JoinBarb.com - that goes directly to your LiveGood site? :>) Keep ACTIVE / ACTIVE / ACTIVE - but *always* keep it >>> SIMPLE / SIMPLE / SIMPLE. :>) You get the picture. >>>>>>>> Here are some STATS.

Are YOU **Age 50**, or more (like ME :>)? IF so - I "urge" you to check out my next link, where I list some "critical reasons" about **WHY** "I" took these factors into play - when "**I**" decided to join LiveGood >>>>>>>>>>>>>>>>>>>>>>>>>>>> **See HERE**.

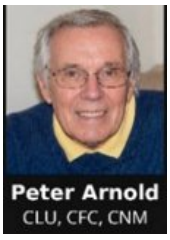
NEXT STEP



Yes, I (Peter Arnold) covered a "lot" of information above - in this, my very own **CANDID Review** of the company >>> LiveGood. My goal was simply to provide you with some "accurate" information - as "I" see it. IF this sounds "intriguing" to you - I recommend that you go over this Review again - and as many times as is necessary - until you feel quite comfortable - **IF** you should wish to consider - taking the NEXT STEP. Before you do, check this (1-min) **VIDEO** by the CEO.

NWM Despite my caution (above) on Network Marketing (i.e. LiveGood) - I do feel *"this" company IS vastly DIFFERENT* - LOW barrier to "entry" - LOW-LOW "price point" for its Health Products [the competition simply can't touch them on these points] … HIGH-HIGH product "quality" (educated, highly skilled, in-house Product Developers) … an extremely "generous" ('revolutionary') Compensation Plan (compared to *traditional* Network Marketing / NWM Compensation Plans).

Further, they have an expert, solid Corporate Leadership Team - with ready, willing and able - Marketing Support - and Product Education - for all its Customers / Members / Affiliates … at least - as "**I**" saw (still see) it. **:>)** And, their HIGH Quality / LOW Cost products => **See HERE**.

I see LiveGood as an - “under one roof” - prime opportunity - to be able to gain … MORE **FREEDOM** in our lives … **HEALTH** Freedom **+ FINANCIAL** Freedom **+ TIME** Freedom**.**

COMPELLING! - Before going *any further*, I urge you to See THIS => **Click HERE**.

This CANDID REVIEW does cover a lot of info**.** about LiveGood (+ many separate “links”, etc) … but I sincerely hope it is helping YOU to gain a better picture of what is being offered by this SUBSCRIPTION company … in supplying for us - much More FREEDOM in our lives (Health Freedom / Financial Freedom / Time Freedom).

“**I**” decided to become an AFFILIATE with LiveGood, for their PRODUCTS, and, to build an important / strong / successful - Home Business with them … as this IS truly different.

KINDNESS has no borders. Together, we can build a worldwide community of great partners - those who are "committed" to creating - a BETTER TOMORROW. More of CEO’s **VIDEOS**.

Note: If YOU would like to experience this too … I invite you to join LiveGood with me - as a Customer, Member, or Affiliate. I (we) will be very pleased H.E.L.P you. **:>)**
