I     don't   want you, but I'd hate to lose you,
F7             Bb      Bbm7   F             C7          F
you�ve got me in between the devil and the deep blues sea

I   forgive you,'cause I can't forget you,
You've got me in between the devil
 and the deep blue sea.

A   F#m7               Bm7       E7
I ought to cross you off my list,
A        F#m7               Bm7    E7
But when you come knocking at my door,
C    Am7              Fm6        G7
Fate seems to give my heart a twist
    Ab7                   G7  (C7)
And I come running back for more.

I should hate you, but I guess I love you,
You've got me in between the devil
 and the deep blue sea.
