Liberace Theme

```
C         E7          Dm7      A7      Dm7    A7
I'll be seeing you in all the old familiar places
Dm7        A7         Dm7    G#dim   C
That this heart of mine embraces all day through.
Am        Am/G          Dm7     Fm7
In that small cafe, the park across the way,
    Dm7           G+          C              G+
The children's carousel, the chestnut trees, the wishing well.

C         E7          Dm7    A7      Dm7       A7
I'll be seeing you in every lovely summer's day,
     Dm7   A7         Dm7         G#dim
In everything that's bright and gay,
    Gm7           A7
I'll always think of you that way;
     Dm7           E7                  Am       Am/G   F#m7-5
I'll find you in the morning sun, and when the night is new,
        Dm7                 Fm6           G7-9    C
I'll be looking at the moon but I'll be see-ing you.

Goodnight, goodnight until we meet again
    D7       Am7   D7        G
Adios, au revoir Auf wiedersehen 'til then;
     Dm7           E7              Am7
And though it's always sweet sorrow to part,
      A7            Am7       D7
You'll know you'll always remain in our hearts!
    G               B7                 C          Am
Good night, sleep tight, and pleasant dreams to you;
         D7          Am7     D7        GM7          G
Here's a wish and a prayer that every dream comes true;

And now 'til we meet again, Adios!  Au Revoir! Auf wiedersehen...
