

In Your Eyes
Peter Gabriel

Bm D/F# G " " "
Love, I get so lost, some times
Days pass, and this emptiness fills my heart
When I want to run away
I drive off in my car
But whichever way I go
I come back to the place you are

A9 G
And all my instincts they return
And the grand facade - so soon will burn
Without a noise, without my pride
I reach out from the inside

(In your eyes)
E2 D2
the light the heat - I am complete
I see the doorway - to 1000 churches
The resolution - of all the fruitless searches

In your eyes - oh, I see the light and the heat
In your eyes - oh, I want to be that complete
I want to touch the light the heat I see in your eyes

Love, I don't like to see so much pain
So much wasted and this moment keeps slipping away
I get so tired of working so hard for out survival
I look to the time with you to keep me awake and alive
