

It's Probably Me

Em7

If the night turned cold and the stars looked down
And you hug yourself on the cold, cold ground

Am7

Bm

You wake the morning in a stranger's coat

Em7

No one would you see

Am7

Bm7

You ask yourself, who'd watch for me

Em7

C#m7-5

My only friend, who could it be.....

C7

It's hard to say it

B7

Em7

I hate to say it, but it's probably me

When you belly's empty and the hunger's so real

And you're too proud to beg and too dumb to steal

You search the city for your only friend

No one would you see

You ask yourself, who could it be

A solitary voice to speak out and set you free

I hate to say it

I hate to say it, but it's probably me

Am7

D

You're not the easiest person I ever got to know

GM7

Em7

And it's hard for us both to let our feelings show

(Em-D/F#-G-B/C) Am7

D

Some would..... say I should let you go your way

GM7 - Em7

You'll only make me cry

Am7

B+

If there's one guy, just one guy

Em7

C#m7-5

Who'd lay down his life for you and die

C7

B7

Em7

It's hard to say it, It's hard to say it, but it's probably me

When the world's gone crazy and it makes no sense

There's only one voice that comes to your defense

The jury's out and your eyes search the room

And one friendly face is all you need to see

If there's one guy, just one guy

Who'd lay down his life for you and die

It's hard to say it

I hate to say it, but it's probably me

C7

B7

I hate to say it, I hate to say it,

Bb7-5 - A7

but it's probably me
