

## I Concentrate On You

DM7            D6            A+  
Whenever skies look gray to me,  
Dm                    Dm+7       Gm6  
And trouble begins to brew/////////  
A7                Asus       A7       Gm7            F7  
Whenever the winter winds become too strong,  
E7            A+            Dm (+2frts Dm / Em A+)  
I concentrate on you.        Dah dah000000

DM7                D6            A+  
When fortune cries "Nay, nay" to me,  
Bm7                F7sus                BbM7 0 Bb6  
And people declare "You're through,"  
C7                Dm            C7       Bb7        F7  
Whenever the blues become my only songs,  
E7                A+       DM7  
I concentrate on you.

              E7            Gdim            DM7  
On your smile0 so sweet0 so tender  
              G6            A7                DM7 0 D7  
When at first my kiss you do decline  
              G7                C7                Bb7 0 F7  
On the light in your eyes when you surren -der  
              Dm            E7                A-AM7-A7  
And once again our arms intertwine00.

D                F#m7            Bm6  
And so when wise men say to me  
A7                    D                F#7sus  
That love's young dream never comes true,  
Am6                B7-9            Em7                Em/D  
To prove that even the wise men can be wrong,  
E7            A+            D            Em7        Em/D        A13        A+  
I concentrate on you, I concentrate, I Concentrate  
on you. (Intro-End) Dm +2frts Dm / Em A+ Dm
