

It's Now or Never

                  E                                  F#m7  
It's now or never, come hold me tight,  
      B7          F#m7      B7                  E  
kiss me my darling, be mine tonight,  
      Am                                  E  
Tomorrow, will be too late  
                  B7                  F#m7-B7          E  
It's now or never, my love won't wait.

                  E                                  A 0 F#m7  
When I first saw you, with your smile so tender  
                  B7                  F#m7-B7          E  
My heart was captured, my soul surrendered  
                  E                                  A 0 F#m7  
I've spent a lifetime, waiting for the right time,  
                  E                                  B7          E  
Now that you're near, the time is here at last.

Just like a willow, we would cry an ocean,  
If we lost true love, and sweet devotion,  
Your lips excite me, let your arms invite me,  
For we know when, we'll meet again, this way.
