

I've Heard that Song Before  
Harry James/Helen Forest #1 1943

CM7 E7  
It seems to me I've heard that song before  
E+ A7  
It's from an old familiar score  
A+ D7  
I know it well, that melody  
Dm7 G7  
It's funny how a theme  
CM7  
Recalls a favorite dream  
Am7 (walk down) D7  
A dream that brought you so close to me  
Dm7 - G7 CM7  
I know each word, because  
E7  
I've heard that song before  
E+ A7  
The lyrics said: "for evermore"  
A+ Dm (A7) Dm  
For evermore's a memory  
F6 Fm6  
Please have them play it again  
C B7 Em A7  
Then I'll remember just when  
Dm D7 G7 CM7  
I heard that lovely song before
