

YOU AND YOUR FAMILY

We know that for many of us our families are the thing we hold most precious. We want our children to grow up with a love for the world, a sense of adventure, and a solid foundation of moral values.

Westlake Lausanne is committed to helping you achieve that.

SUNDAY SCHOOL

Every Sunday there is a full programme for every age group. The kids love it!

REFUEL

REFUEL is on Friday nights for our young people. They have teaching and discussions relevant to them, eat a meal together, maybe watch a film, mess around and generally have a great time.

THE JOYS OF RELOCATING

We understand the joys and the trials of relocating very well. We've been there! That means we can help you get through some of those really tough moments: like when the washing machine floods, or the kids have to start school, or you can't find the ingredient you need at the shops, or what you should do about your driving license.

We know what it is to struggle, so we want to help you if we can!

Thanks for reading this!

If you have recently moved to Switzerland and are looking for a church, or if you don't normally go to church but want to know more about the Christian faith, or just feel the need to find a community of people like you, we might just be what you are looking for.

Come and meet us. It would be a pleasure to welcome you to one of our Sunday meetings.

WHO WE ARE

Westlake Church began 20 years ago, in Nyon. Over those years Westlake Nyon has thrived and grown and in 2005 a second congregation, Westlake Lausanne, was started. Like Nyon, Westlake Lausanne has also flourished. The church is made up of people from all over the world, and from many different backgrounds. We combine a commitment to teaching from the Bible that is very relevant to our lives with a style of worship that is contemporary, mingling the best of the old with the new.

WHAT HAPPENS ON A SUNDAY MORNING

Every Sunday morning we meet together at 10.30am. There is a time of worship together as a church family, before the children and young people leave for their age-appropriate classes. There is then a talk for the adults, usually by one of the leaders. The meeting ends at around 12

noon when everyone gets back together for refreshments. This is a great time to meet old and new friends.

Once a month we have an all-church 'bring and share' lunch. This is for everyone, regardless of whether or not they have brought anything to share!

OUR VISION

The vision we have for Westlake Lausanne can be summed up as **R²: Rooted and Radical**.

That we would be so rooted in the gospel of Jesus Christ and the gospel so rooted in us, that it would have a wonderfully, radically transforming effect on our lives. For good!
