

A close-up photograph of a bouquet of roses. In the foreground, a single light pink rose is in sharp focus, showing its intricate petal structure. Behind it, several white roses are visible, some in full bloom and others as buds. The background is a soft, out-of-focus green and white, suggesting more flowers and foliage. The overall lighting is bright and natural, creating a warm and celebratory atmosphere.

It's your birthday.

*but I'm the one
who's received
the best gift of all...*

you.

Happy birthday, my love!
