## SIGN THE PETITION TO RAISE AWARENESS AND FUNDING TO CURE CHILDHOOD CANCER

We are PAC2 - People Against Childhood Cancer. We are a grassroots organization of parents, family, friends, children and organizations dedicated to fighting childhood cancer. Please help us petition Congress and others to help save the life's of the 7 children lost to cancer every day. Simply tear a tab off, log on, sign the petition, and forward a link to your friends. On behalf of the 46 children diagnosed with cancer today....thanks.

## CHILDHOOD CANCER FACTS

- Childhood cancer is the #1 killer disease of our children, killing more than asthma, diabetes, pediatric AIDs, congenital anomalies and cystic fibrosis combined!
- 1 in 300 children will be diagnosed with cancer before age 20, that's 46 children every day, every year!
- Each year 3,000 children die, and 35-40,000 are in treatment.
- Less than 3% of all cancer research money goes to childhood cancer.

## **OBJECTIVES**

- Increased government funding for research specific to childhood cancer.
- Full funding of the Carolyn Pryce Walker Conquer Childhood Cancer Act .
- Promoting a media event to raise awareness & funding for childhood cancer.
- Petitioning the NFL to recognize September as Childhood Cancer Awareness Month.
