

### My Potholder - Schematics

Using Kitchen Cotton Yarn

CH 30 (or desired size), In back loops, sc in 2nd chain from hook and each chain across, turn

CH 1, Sc in back loop of this row **and** in back loop of row **below** across, turn

CH 1, Repeat until piece is square.

On last row, sc in **both** loops of current row and back loop of row before.

This will make a thicker weave of material which I thought would make a perfect potholder....so here it is!
