wind 1.5 yards on shuttle (for size 3, much less for smaller sizes) with 1 yard of ball thread CTM (do not cut thread)

1 yard (this is an overestimate) of contrasting thread

Terms

C- chain

R- ring

LC- lock stitch chain. This is followed by the number of lock stitches to make ie LC 20

tp- twisted picot (make long enough to twist at least once)

lj- lock join

To start:

R1 1 tp 1 tp 1 vsp 1 vsp 1 vsp 1

C1 10

R2 1 vsp 1 vsp 1 vsp 1 tp 1 tp 1

C2 6 lj (2nd tp R2) 4 lj (1st tp R2) 6 lj (3rd vsp R2)

LC 6 lj (vsp R2)

LC 7 lj (vsp R1) hide ends, shape to have a round shape.

Chocolate Kisses

Materials

2 shuttles
2 yards of brown thread. (I used size 3 thread, smaller threads need much less) Wind 1 yard on each shuttle, do not cut thread between shuttles
paperclip
crochet hook

Terms:

vlp- very long picot (1 inch for size 3))
ss- switch shuttles
C- chain

Start pattern by placing paperclip on thread (leave paperclip on chain until end)

Shuttle 1: C 7 ss
Shuttle 2: C 1 vlp 1 vlp 1 vlp 1 vlp 1 vlp 2 ss
Shuttle 1: C 7 + (to all the vlp and the space held by the paperclip at the same time)

Make 2 lock stitches, cut thread leaving about 1/2 inch of thread.
