

# leafBuilder Grade Disbursement Emoji App:

An idea conceived for educational administrators and teachers, leafBuilder emojis is a fun app that will disburse grades to students and parents using proprietary animated emojis. Emojis will also act as safety advisors, alerting parents to various situations on school campus; or, provide preset instructions and information to parents on behalf of the student or school, and even report on student's behavior. Shall be designed for grades K-7.

**90 – 100 = A** “You must have studied very long and hard, [student's name].”

Yellowleaf is extremely happy about the student's grades.

**80 – 89 = B** “Your studying has really paid off [student's name].”

Greenleaf not so far behind Yellowleaf about student's grades.

**70 – 79 = C** “You must study harder; you can do it [student's name].”

Blackleaf is rather disappointed about the student's grades but shows compassion.

**60 – 69 = D** “I'm wondering did you study at all [student's name].”

Blueleaf is disappointed without a doubt about the student's grades.

**59 – Below = F** “Failure is not an option [Student's Name]. This grade doesn't suit you at all.”

Redleaf is completely distraught about the student's grades.
