

# SERMON OUTLINE

Get the Job Done  
**February 20, 2022**

## Start

Simply believing that God equips us to do His work—or even studying and identifying our gifts—is not enough. We must use them and actually do what He commands. What are we waiting for? Go! Try!

## Exodus 4

*What is the Holy Spirit asking you to start today?*

## Become an artisan

Work hard, practice, apprentice, persist, study, grow, refuse to settle, admit and learn from failures, celebrate and learn from successes, surround yourself with others who value excellence and share your God-given passions.

**Ephesians 4:11-13, 2 Timothy 2:15  
Matthew 5:48**

*What are you doing to grow  
and accomplish God's will?*

## **Stay the course together**

Christ's plan is designed for constant, exponential growth. We start where we are and move out. We go where others are and serve them there. We make and baptize new disciples, training them to live out Christ's teachings...and the holy cycle continues until the whole world is reached and Christ returns.

**Acts 1:8, Matthew 28:18-20**

*Lord, I will...*
