

# SERMON OUTLINE

Accelerate!  
**February 27, 2022**

## Accelerate!

For Christ-followers, The Way is ultimately Christ Himself, and—on an individual, daily basis—the right road is wherever He leads. Joining any other convoy in any other direction for any reason is dangerous at best.

**John 14:6, 10:10, 3:16-17**  
**Exodus 5:1, Hebrews 11:24-29**

*Where is Jesus leading YOU right now?*

## Get your foot off the brake

To get anywhere, we must move in the right direction. Jesus never leads anyone to procrastinate, and all positive changes happen when someone cares enough to do something.

**Nehemiah 6:3, James 1:22-25**

*What's stopping YOU or slowing YOU down, right now?*

## **Put the hammer down!**

We all fight some sort of inertia and some sort of entropy, but once we do get moving in the right direction, we start to gain momentum. After a while, it's easier to keep going in the right direction than it is to stop or to go back, and every step gets you closer to your destination.

**Philippians 3:13-15**

**Matthew 28:18-20, Acts 1:8**

*Lord, I will...*
