Understanding Context

**March 6, 2022**

Transformative churches understand their identities, have a strong missional anthropology, and are able to exegete their current cultures. They have authentic, active engagement with their communities, and the ability to adapt and innovate as the culture changes without altering or weakening their foundational beliefs and callings.

## We are Game Changers

Jesus Christ's kingdom transcends all other kingdoms, and His followers learn to see and live from His perspective—to truly be like Him.

**Ezra 5:11, 1 John 2:5-6, Romans 12,  
Ephesians 2:10, Romans 6:1-15  
1 John 3:1, Matthew 25**

## We are Christ's Ambassadors

We must see those we serve the way Christ sees them, and Roane County and every mission field we support needs to see Jesus when they see us. We must experience, model, and share

true reconciliation, destroying the walls of division.

## **2 Corinthians 5:16-21**

*How are YOU serving as Christ's ambassador?*

### **We focus on His goals for us**

Our identity in Christ and our role as His ambassadors are foundational and timeless. Our strategies, however, can change—and often should—as we keep reaching out.

## **Matthew 28:18-20**

*Lord, I will...*
