

SERMON OUTLINE

Resilient and Adaptive Leadership

March 13, 2022

Transformative churches **understand** and **clarify** the **nature** of the adaptive challenges we all now face, especially in light of the Covid-19 crisis. This adaptation involves **defining threats, seeing opportunities, embracing paradigm changes**, and **preparing** for the ever-increasing **seasons** of transition. - threeriverscollaborative.com

We all fight spiritual battles

The devil doesn't care *how* we derail or *why* we make Jesus look bad—as long as we do. He doesn't care *which* sins we see as part of our identity—as long as we stop repenting and demand that others accept or even endorse our sin.

2 Corinthians 5:20, Ephesians 2:10
Matthew 5:20, 16:21-27

What is threatening YOUR faith right now?

The worst threats create the best opportunities

The devil doesn't care *what* makes us panic or give up—as long as we do. He doesn't care *whom* we see as our Enemy of the Day, as long as we choose hate instead of love. Thank God He keeps working "in *all* things..."

Luke 19:1-10, Romans 8
Ephesians 6:10-19
Galatians 5:13-25 & 6:7-10

*Where do YOU see God working

How has He equipped and prepared YOU?

Lord, I will...
