

# “REMEMBRANCE”

## Tatted ring for finger

### **Techniques used:**

Rings, chains, picot joins, hiding ends.

**Size:** approximately 50 – 55 mm. Make ring larger or smaller by using slightly larger or smaller picots. Or, if the size needs to be changed significantly, add or subtract rings.

### **Supplies:**

Size 20 crochet thread

1 tating shuttle

Small crochet hook for joining

### **Pattern:**

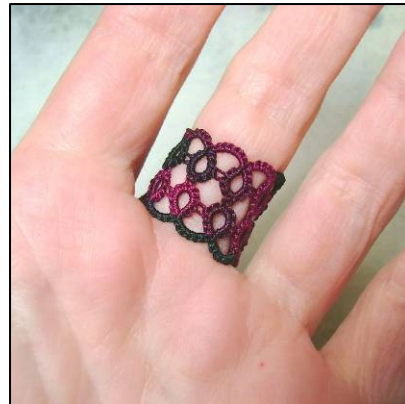

R 3-3-3-3. RW.

Ch 6. RW.

R 3+3-3-3. RW.

Ch 6. RW.

Repeat for a total of 9 R and Ch, joining the last R to the 1<sup>st</sup> R. Tie ends; hide and cut later.

Repeat same pattern for other side, joining to center p of rings. Tie ends, hide, and cut.

*There is a saying, "Tie a string around your finger so you won't forget." Here is a very elegant "string", worked up into a charming accessory!*
