Ms. Lead Baby Seller (You probably want to use her real name):

I am writing to inform you that from this point forward, any and all communication to me by any agent of Houston County Human Services must take place in writing. I will no longer be taking any phone calls from your agency.

This request for documentation is for liability reasons, and is in the best interests of all parties. I will consider any future attempts to contact me without documentation to be harassment.

As well, I will not be attending any future meetings unless my attorney is present. I demand that any future meetings be documented by video and by transcript.

It has recently come to my attention that I may be a victim of government fraud, and I make this demand for the best interests of my child(ren) and of myself.

Thank you,
