Looking at ways to make your lyrics and tune catchy and cool.

Making a song for a performance.

Curator's Tip: Don't take it too seriously; it's supposed to be fun!

Week 5: The Show

Set up a concert for family, friends and neighbours. It could be in the garden, inside or even on the street itself if it's safe.

It could be a gig in your bedroom. Find a way to make it exciting and dramatic for the guests. You could make tickets and a programme.

Curator's Tip: Decide if you want to record your stuff, how are you going to do it?

Week 6: The Band Biog

Make a Caboodle biog of your band and instruments including descriptions.

Caboodler's Tip: You need at least five photos to publish your pictures with short descriptions on Caboodle.org.uk

Museum Mission: Go to a museum that contains instruments or memorabilia. You could also go to a concert. If you have permission take photographs of what you find and include at least three cool facts for Caboodle.
