

I know you are also an employee of that county, but you are my lawyer and suppose to do all means necessary to best represent me. I don't know the law or what any of this has been about but I have always believed they had no right taking [REDACTED] from me. They kidnapped her and now are demanding that she live with her father. None of which any of you know at all!!!

I am no longer standing back, [REDACTED] is my daughter and my life. I am the better parent out of the both of us. [REDACTED] has a better and more successful chance for her future if she is with me. I fear the worst for her future if she is to be raised by [REDACTED].

I am not trying to be mean but I am realizing that it is no longer working trying to pretend that [REDACTED] are any friends of mine!!!

I intend to appeal to anything less.

[REDACTED]

[REDACTED] [REDACTED] [REDACTED] [REDACTED]
[REDACTED] [REDACTED]
