

EXT. STREETS OF WOODSBORO - DAY

FADE in on a nice home. KIRBY REED exits from a car, surveys the street around her. The childhood home she's about to re-enter. Then she takes a look at the old KESSLER home...

Taking all these old memories, Kirby is suddenly snapped out of her little trance...

RITA  
(V.O.)  
Kirby?

INT. REED RESIDENCE - KITCHEN - DAY

KIRBY snaps out - looking up at her mother Rita.

KIRBY  
Huh?

RITA  
You've been weird ever since you've gotten home. Something wrong?

KIRBY  
No. Nothing at all. It's just weird to be back you know? So many... memories.

The phone rings. Kirby's alone in the kitchen.

She looks over at the phone.

RITA  
(O.S.)  
Could ya get that?

Kirby hesitates - before picking it up.

KIRBY  
Hello?

MAN'S VOICE  
Yes, Kirby. I'd have to agree.  
Woodsboro holds so many memories...  
(sinister chuckle)  
But there's no place like home,  
right?

This voice tears RIGHT through Kirby's soul. Her whole face FALLS -- but so does her HEART.

**SCREAM 7 TEASER.**

MAN'S VOICE (CONT'D)  
It's time for a *REAL* final  
installment.

EXT. ROOF - DAY

KIRBY is on a roof, she SCREAMS -- her hair a mess, face  
bloodied, bandage on her head...

The GHOST looms closer to her -- DRAWING his KNIFE --

MAN'S VOICE  
(V.O.)  
Everything else before this was  
just a warm-up.

Kirby moves toward the edge of the roof -- Looks down to the  
pavement below, and then another look back at her stalker.  
She decides to take a chance.

She hesitates, ready to pounce down like a puma --

-- Just as the Ghost POUNCES too, SWINGING his knife. Kirby  
gives a SHRIEK and we **SMASH CUT TO BLACK**, allowing all of the  
following to pass us up rather quickly:

INT. WOODSBORO HIGH SCHOOL - HALLWAYS - DAY

LUCAS walks through the hallways, people give him weird  
looks. He looks uncomfortable as he stops at CLOVER's locker.

LUCAS  
Everyone's staring...

CLOVER  
The heir to stardom is what they're  
calling you apparently.

INT. WOODSBORO HIGH SCHOOL - AUDITORIUM - DAY

MARNIE is alone in the auditorium -- tries to open the doors.  
She turns around with a GASP to see the GHOST FIGURE stood on  
the stage.

INT. GORMAN RESIDENCE - LIVING ROOM - NIGHT

OLIVER and MICHAH sit on a couch together. They both hear a  
noise, turning their heads to face it --

EXT. UPPER PATIO DECK - DAY

CAMILLA rushes out onto the patio deck -- she RUSHES for the  
stairs, RUNNING in a sheer panic, SCREAMING and IN TEARS,  
hands covered in BLOOD that isn't hers --

**SCREAM 7 TEASER.**

INT. HALLWAY - DAY

EDIE is hung from the ceiling, alive and kicking -- though she's GAGGING, CHOKING --

The GHOST charges at her. She SWINGS her body over, dodging the JAB of his knife, but further choking herself --

MAN'S VOICE

(V.O.)

It all comes down to this...

EXT. DRIVEWAY - DAY

TEVIN bolts for his CAR -- CLIMBS inside -- JUST as a FEMALE BODY is THROWN through a second story window, FALLING right onto the top of his car. GLASS explodes everywhere...

INT. HALLWAY - DAY

LUCAS, clutching a knife close to his CHEST, looking PISSED, stalks through the hallways of a home...

Just as the GHOST figure appears from an open door frame, SNEAKING up behind him.

INT./EXT. VARIOUS LOCATIONS - DAY/NIGHT

-EDIE, trying to flee, SCREAMS as the GHOST grabs onto her HAIR and wrenches her backwards - DRAGGING her, she's CRYING.

-DEPUTY ROBERTS follows a trail of blood, gun held close to his face.

-TRAY's body, looking rather lifeless, FLYING backward, SMASHING through a GLASS PATIO door and hitting the pavement behind it

- GARRETT stares on at something in front of him in complete HORROR, he looks like he's gonna be SICK

-The GHOST FIGURE runs right toward the SCREEN -- ECU of that iconic MASK as we...

**SMASH TO BLACK.**
