FADE IN

A silver 2010 Jeep Grand Cherokee drives on a lonely two way road in the middle of the day.

CUT TO:

INT. CAR - DAY

CARRIE, a middle-aged beauty sits in the front passenger seat next to her balding husband, TED who drives. In the backseat is her teenage daughter, CORINNE, a blonde and her friend BONNIE, a brunette.

CARRIE  
Ya know, girls, you'll have lots to do  
up at CRYSTAL LAKE.

CORINNE  
Oh, yeah? Like what? Try and count the  
amount of crickets we can hear?

BONNIE laughs and glances out the window.

Standing on the side of the road is an OLD MAN, seemingly homeless and holding a sign which reads: TURN BACK!

SMASH CUT TO:

EXT. OLD WHITE HOUSE - CONTINUOUS

BONNIE looks up at THE HOUSE. Somewhat dilapidated, still a nice house, just needs work.

CORINNE  
This place looks haunted!

CUT TO:

INT. KITCHEN - CONTINUOUS

CARRIE stands at the counter, CORINNE comes walking up with BONNIE behind her.

CORINNE  
MOM, we're going to go down to the LAKE.

SMASH CUT TO:

EXT. THE WOODS - NIGHT

CARRIE  
(V.O.)  
Okay, sweetie. Have fun.

BONNIE and CORINNE, both SCREAMING, run from the black

silhouette of JASON running behind them.

SMASH CUT TO:

EXT. CRYSTAL LAKE - DAY

CORINNE and BONNIE lay on a wooden dock in their bathing suits. EDDIE, a handsome 18 year old stands over them.

EDDIE

Hey, if you girls want, my friends and I  
are just chillin' by the LAKE and  
drinking some beers, if you wanna join?

CORINNE turns to BONNIE and gives her the 'HEY, WHY NOT?' look.

SMASH CUT TO:

EXT. CRYSTAL LAKE - NIGHT

The group of KIDS sit around a built fire right next to the water.

PAN around the fire, showing all of them. BONNIE sits next to CORINNE, smoking a cigarette. JOHN and AMY cuddle each other. EDDIE sits close by CORINNE.

JOHN

You have heard of JASON VOORHEES,  
haven't you?

BONNIE and CORINNE look at each other.

SMASH CUT TO:

MONTAGE OF SCENES

JOHN lays on top of AMY, kissing her. He leaves her lips for her neck. She opens her eyes and sees JASON standing over them.

JOHN

(O.S.)

About two years ago, he butchered more  
than ten people in the area.

JASON stands on the dock, holding up a wheelchair with VAN, a paralyzed youth sitting in it, bleeding from his head.

VAN

No please!

JASON violently throws the wheelchair toward the LAKE.

JOHN (CONT'D)

(O.S.)

But they never caught him.

BONNIE watches JASON come walking down the hallway from inside of a dark closet, trembling with a KITCHEN KNIFE in her hand.

CLOSE UP on JASON's head. He turns, looking around.

BONNIE comes jumping out of the closet, holding up the KNIFE in a stabbing position.

JASON falls down a flight of stairs.

JOHN (CONT'D)  
And they say, he wears this creepy  
HOCKEY MASK.

KEVIN turns to see JASON right behind him.

BONNIE runs into the headlights of a car, a look of TERROR on her face and waving her arms.

BONNIE  
(V.O.)  
Please, help me! He killed EVERYBODY!

CORINNE and EDDIE stand side by side in front of a cabin at CAMP CRYSTAL LAKE. Caution and fear in their expressions.

The OLD MAN who held the sign, stands in front of them.

OLD MAN  
HE's watching you.

P.O.V. of JASON: he watches a group playing in the water from across the LAKE.

OLD MAN  
(V.O.)  
HE's going to slaughter each and every  
one of you!

CORINNE stands in front of a window in the LIVING ROOM. BONNIE right across from her.

CORINNE  
(crying)  
HE's gonna kill us!

A quick moment passes before JASON bursts through the windows behind her. CORINNE and BONNIE SCREAM as JASON wraps his arms around her.

SMASH CUT:

CUE TITLE CARD: FRIDAY THE 13TH II

COMING THIS AUGUST
