

MICHAH & OLIVER.

INT. REED RESIDENCE - UPSTAIRS - SUNDOWN

LUCAS is stood upstairs with MICHAH.

LUCAS
What the FUCK are you doing here?

MICHAH
I'm sorry man, I left my jacket...

LUCAS
Where? I'll grab it.

MICHAH
Your room.

Lucas moves toward his bedroom door --

OPENS IT --

And OLIVER JUMPS OUT. SCARES THE SHIT OUTTA LUCAS.

LUCAS
HOLY SOCKS--!

Oliver is cracking up. Lucas looks PISSED, spinning around to face Michah.

MICHAH
Sorry dude, he made me...

OLIVER
I wish I had a camera right now...
The look on your face is worth
like, a bajillion words.

MICHAH
Wait, what's that ?

Oliver flashes his video camera, which is in his hands, with a faux-dumbfounded look on his face.

OLIVER
OH YEAH, I DO HAVE A CAMERA!

The two high-five, laughing, while Lucas just gives them a glowering stare.

LUCAS

(sarcastic)

Yes, because people are just
begging to see me shit my pants on
live feed.

OLIVER

Of course they were. Seeing stupid
shit on the computer is, like, the
very definition of our generation.

INT. GORMAN RESIDENCE - LIVING ROOM - SUNDOWN

OLIVER plops down on the couch next to MICHAH. A DVD is in. Michah looks over at Oliver curiously.

MICHAH
Who were you cussing out on the
phone?

OLIVER
Lucas decided it'd be funny to
change his number to private and
give me a Ghostface call.

MICHAH
(skeptical)
I don't know, man. That doesn't
sound like Lucas to me.

OLIVER
Well whoever it was, if it wasn't
Lucas or Kirby Reed herself, had
perfect timing.

Michah goes silent... Oliver brushes past this.

OLIVER (CONT'D)
Anyway, what'd you pick?

MICHAH
When A Stranger Calls.

OLIVER
The original I pray?

MICHAH
Yes, sir. Though I must admit, I
didn't mind the remake...

The movie starts to play, Oliver gives a look to Michah.

OLIVER
You're kidding me right?

MICHAH
No... Camilla Belle is a hottie.
(pause)
I've never seen the original,
though, which is why I was
intrigued when I found it.

OLIVER
(beat)
Wait.
(MORE)

OLIVER (CONT'D)
Wasn't one of the trivia questions
you asked Kirby about this movie?

MICHAH
(guilty smile)
Wikipedia.

Oliver laughs. He leans in -- rubs his hands together, a
'bring-it-on' look on his face.

The house phone rings. Oliver and Michah both look from their
places on the couch, exchanging looks.

OLIVER
You get it.

MICHAH
I thought you were so sure that the
caller was just Lucas. You're
scared aren't you?

OLIVER
You're one to talk, you couldn't
even sit through Rob Zombie's
HALLOWEEN.

Michah frowns.

MICHAH
Fine.

As he walks away...

MICHAH (CONT'D)
(grumbles under his
breath)
...Pussy.
