An OH, SO FAMILIAR VOICE responds on the other side.

INT. BATHROOM - UNKNOWN TIME

A BLONDE stands in the shower, the running water raining down on her. The water washes the soap out of her hair. Behind her, through the clear, distorted shower curtain, a DARK FIGURE approaches.

The shower curtain opens and there stands SOMEONE dressed in the ICONIC GHOSTFACE COSTUME. The ICONIC BUCK 120 KNIFE is brandished with a "SVING!"

INT./EXT. - VARIOUS PLACES AT VARIOUS TIMES

A POLICE OFFICER enters the MOTEL ROOM, aiming her gun ahead of her.

A car on the ROAD screeches as it stops short in front of the MOTEL.

The couple lays on the bed in their ROOM, STAB 7 playing on the television.

GIRL
Ugh. This is the worst one. Totally
breaks ALL the RULES.

GUY
(V.O.)
Hey, sometimes the RULES need to be
broken.

A large suitcase, laying on a bed is unzipped. Opening up, inside we see a folded up GHOSTFACE COSTUME with ALL of the STAB film DVD's.

GUY (CONT'D)
(V.O.)

But it doesn't matter, the RULES ALWAYS
apply.

A GUY runs down the porch of the MOTEL, along the ROOMS,
GHOSTFACE chasing behind him. He SCREAMS.

RACHEL FROM STAB 7

(V.O.)

There's always some random girl that
gets a call that undoubtedly gets her
killed...

A girl sits in the front passenger seat of a car, breathing
heavily, crying and looking out into the dark of the night. Her
cellphone begins vibrating. GHOSTFACE jumps up from the back
seat, she immediately turns and SCREAMS.
