

INT. PLANE - DAY

Behind Mandy enters DUSTIN. NEWT and QUENTIN follow closely after. Quentin sighs.

QUENTIN  
I think it's sad how Mandy's fucked  
half the yearbook and yet here I  
am... still no Mandy lovin'.

NEWT  
You nailed Janis Horner right?

Newt and Dustin giggle. Obviously Janis isn't the most  
flattering of ladies.

QUENTIN  
Funny, fellas. Real funny. Mind  
you, she was a good lay. Who have  
you two laid?

Newt and Dustin exchange looks -- Newt shrugs.

NEWT  
No lay's better than a Janis lay.

Newt makes a gagging gesture by putting two fingers in his  
open mouth. Dustin smirks...

DUSTIN  
Yeah, I don't even see how that'd  
work, to be honest. After having  
her on top of Quentin for hours,  
you'd think he'd be in the  
hospital.

NEWT  
(mockingly)  
Hot blue-whale-on-poodle-puppy  
action.

Dustin laughs. Quentin looks offended as his friends stray  
off to put their luggage away. He mutters under his breath.

QUENTIN  
Why do I gotta be a poodle...?

INT. PLANE - DAY

DUSTIN is playing a card game with QUENTIN as NEWT sprawls out on the seats beside them, snoring. Dustin shows off his hand to Quentin -- Quentin squints.

DUSTIN  
What's wrong with it?

Quentin sees something peculiar about Dustin's hand -- launches into a huge discussion.

QUENTIN  
Black aces over black eights. It's called the Dead Man's Hand. It was dealt to Bill Hickock, who was fatally shot moments afterward in 1876.

DUSTIN  
What, does that mean you're gonna shoot me?

QUENTIN  
No.

DUSTIN  
(irate)  
This isn't Jeopardy, Quent... No need for the useless nerd talk.

Dustin looks obviously stressed, he pulls off his beanie with a sigh and looks outside at the stormy clouds, throwing his cards to the table.

QUENTIN  
You okay?

DUSTIN  
Yeah, I just... I have a bad feeling.

QUENTIN  
(offended)  
Well, don't take it out on me.

Quentin peeks over at MANDY and JILLIAN, the two girls gossip in their own corner of the plane, giggling.

QUENTIN (CONT'D)  
She's probably laughing at me. I made a total ass of myself earlier...  
(sigh)  
(MORE)

QUENTIN (CONT'D)

Remind me to never listen to Newt's  
'girl advice' ever again. It still  
shocks me that I even listened to  
him in the first place.
