

Snowflake Buttons, 2011 by Vicki Clarke, victats@gmail.com

Materials

2-hole button

Crochet hook

Wind 1.5 yards of size 30 thread on a shuttle CTM with ball

Terms

tp- twisted picot: make a very long picot (1 inch) use crochet hook to twist picot 5-10 times. Then use that crochet hook to join the twisted picot to the ball thread where indicated. When you join to the twisted picot it will twist back on itself and create a point.

vsp – very small picot

lj- lock join

1st round: Start by joining to one of the button holes.

Ch 18 + (1st hole) 18 + (2nd hole) 18 + (2nd hole) 18 + (2nd hole) 18 + (1st hole) 18 + (to beginning)

2nd round:

Ch 12

R 4 vsp 4

Ch 4 tp 2 + (to tp) 4 lj (to vsp on ring)

Ch 12 lj space above button join

Repeat 6 times. Cut and tie.
