

DROP CANNONS X-OVER LINE

LINE The pix shows a Yellow & Brown & Green & 7 Reds placed where a halfball direkt drop-cannon from inhand onto a Red sitting on the Spot will double the ball to the Spot.

X-OVER The line iz nearnuff a borderline for a centerline xing. If a yellow iz nearer the Dee then the yellow will try to X-over to the west of the centerline, if u hit hard enuff. Talking about direkt cannons here.

PLAY at the Green from the Green Spot, Brown from the Brown Spot, Yellow from Yellow.

WHITE balls show the qball hitting the Green. **KIECKHEFERS** show the Green's trajektory.

The **BLUE** iz on the Center Spot. The **PINK** iz on the Pyramid Spot. The **GRID** iz 100mm by 100mm.
