

Better Than

(Em -G)
All you want is
What you can't have
And if you just look around man
You see you got magic
So just sit back relax
Enjoy it while you still have it, don't
Look back on life man and only see tragic

Because you could be better than that
Don't let me get the better of you
What can be better than that?
Life's not about what's better than (X2)

All the time while you're looking away
There are things you can do man
There's things you can say
To the ones that you're with
With whom you're spending your day
Get your gaze off tomorrow
And let come what may (Chorus)
CM7 Am (5) G
All..... I know is... sometimes, things can be hard but
CM7 Am G
you... should know by now, they come and they go so,
CM7 Am G
Why, oh why Do I, look to the other
CM7 Am G
Side 'Cos I know... the grass is greener but
Just as hard to mow
