Intro/Vs Am / Dm / Gsus

I can feel your body
When I'm lying in bed
There's too much confusion
Going around through my head

F E7
And it makes me so angry
Am walk
To know that the flame still burns
F E7
why can't I get over?
F E7#9 /////
And when will I ever learn

Old love leave me alone
Old love just go on home

I can see your face.
But I know it ain't real
just an illusion
Caused by how I used to be

And its makes me so angry
I know now that the flame will always burn.
I'll never get over
I know now that I'll never learn

Old love, old love leave me alone
Old love, old love just go on home
