

Name - Goo Goo Dolls - (Intro/verse)

G G/F# C9
Even though the moment passed me by
Em D C9
I still can't turn away
I saw the dreams you never thought you'd lose
Tossed along the way
Letters that you never meant to send
Lost and thrown away

Em D C9
Now we're grown up orphans that never knew their names
We don't belong to no one - that's a shame
You could hide beside me, maybe for a while
And I won't tell no one your name...(stop)
No I won't tell 'em your name (intro)

Scars are souvenirs you never lose
The past is never far
Did you lose yourself somewhere out there?
Did you get to be a star?
Don't it make you sad to know that life
Is more than who we are

You grew up way too fast, and now there's nothing to believe
And re-runs all become our history
A tired song keeps playing on a tired radio
And I won't tell no one your name...(stop)
No I won't tell 'em your name (intro x2) (Solo - Em/D/C9)

I think about you all the time
But I don't need the same
If it's lonely where you are come back down
And I won't tell 'em your name...
