 C D G
No I would not give you false hope
 C D G
on this strange and mournful day
 C D G Em
but the mother and child reunion
 Am G D
is only a moment away... .

 Em
ooh little darling of mine
 D
I can't for the life of me
 Em
Remember a sadder day
 D
I know they say let it be
 Em
but it just don't work out that way
 C
And the course of a lifetime runs
 D
over and over again

 C D G
No I would not give you false hope
 C D G
on this strange and mournful day
 C D G Em
but the mother and child reunion
 Am G D
is only a moment away... .

 Em
ooh little darling of mine
 D
I just can't believe its so
 Em
and though it seems strange to say
 D
I've never been laid so low
 Em
in such a mysterious way
 C
And the course of a lifetime runs
 D
over and over again (Chorus)

 C D G
No I would not give you false hope
 C D G
on this strange and mournful day
 C D G Em
but the mother and child reunion
 Am G D
is only a moment away...
