Am
Well it's a marvelous night for a moondance
With the stars up above in your eyes
A fantababulous night to make romance
B'neath the cover of October skies

All the leaves of the trees are falling
To the sound of the breezes that blow
Y'a know I'm tryin' to plead to the calling
Of your heart strings that play soft and low

You know the night's magic
seems to whisper and hush
You know the soft moonlight
seems to shine your blush
Can I just have one more
moondance with you my love
Can I just make some more
romance with you my love

Well I wanna make love to you tonight
I can't wait till the moment has come
Yea'n I know that the time is just right
And straight into my arms you will run

When you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true dear
There and then I will make you my own

Every time I touch you,
you just tremble inside
Then I know how much you want me
that you just can't hide
Can I just have one more
moondance with you my love
Can I just make some more
romance with you my love
