

Love Me Like a Rock

/ G - / / C7 - / G - / / C - / G D

When I was a little boy

And the Devil'd call my name

I'd say, "Now who do

Who do you think you're fooling?"

I'm a consecrated boy

Singer in a Sunday choir

My mama loves me, she loves me

/ G Em / C G / C FC / G - - -

She gets down on her knees and hugs me

She loves me like a rock

She rocks me like the rock of ages

And she loves me

She loves me, loves me, loves me, loves me

When I was grown to be a man

And the Devil'd call my name

I'd say, "Now who do

Who do you think you're fooling?"

I'm a consummated man

I can snatch a little purity

My mama loves me, she loves me {Refrain}

If I was the President

The minute the Congress called my name

I'd say, "Now who do

Who do you think you're fooling?"

I've got the presidential seal

I'm up on the presidential podium

My mama loves me, she loves me

Doctor My Eyes

/ G - / Bm - Em / C G -

Doctor, my eyes have seen the years

And the slow parade of fears without crying

Now I want to understand

I have done all that I could

To see the evil and the good without hiding

You must help me if you can

/ Em - / G - / Em - D C - G -

Doctor, my eyes

Tell me what is wrong

Was I unwise to leave them open for so long

'Cause I have wandered through this world

And as each moment has unfurled
I've been waiting to awaken from these dreams
People go just where they will
I never noticed them until I got this feeling
That it's later than it seems

Doctor, my eyes
Tell me what you see
I hear their cries
Just say if it's too late for me (Solo G -C only)

Doctor, my eyes
Cannot see the sky
Is this the price for having learned how not to cry
