

Little Sister - G

Little sister dont you
little sister dont you
little sister dont you kiss me once or twice,
and say its very nice and than you run
little sister dont you do what your big sister done

well I dated your big sister,
and I took her to a show
I went for some candy, along came Jim dandy
and they snuck right out the door

every time I see your sister
well she's got somebody knew
she's mean and she's evil
like that little ol' boweevel
guess ill try my luck with you

well I used to pull your pigtails
and pinch your turned up nose
but baby yove been growin
and latley its been showin
from your head down to your toes
