

I'll Be Here a While 311

Am GM7
I'll be here a while, ain't going nowhere
I'll be here a while, ain't going nowhere
I'll be here a while, ain't going nowhere
I'll be here a while

Bm Em
Far is solace in the... maddening pace
Bm Em
sad state written on my face

CM7
not a tight rope walk but dance

GM7
uncertain game of chance
CM7 GM7
but I'll see it through in time (Chorus)

Bm
And if a person place or thing can deliver
Em

I will quiver with delight
Bm
tempted by the hand that could
Em

blind my vision and sight

CM7
but at twenty years of age

GM7
in frolic and in rage
CM7 GM7
I will see it through in time (Chorus)

Bm Em
But the dawn has come into the endless night

Bm Em
and everything's going to be alright

CM7 GM7
but at thirty years of age, through frolic and in rage

CM7 GM7
all regressed and healed in time (Chorus out)
