I got a woman way over town she's good to me

A7 (D7) A7

She saves her lovin' early in the morning just for me
She saves her lovin' early in the morning just for me
She saves her lovin' just for me oh she loves me, so tenderly
I got a woman way over town she's good to me

She's there to love me - both day and night
Never grumbles or fusses - always treats me right
Never runnin' in the streets - and leavin' me all alone
Cause a woman she knows her place - is right there now in her home
I got a woman way over town she's good to me (Solo)
(First verse out)
