

I Don't Need No Doctor

E7 riff

I don't need no doctor

'Cause I know what's ailing me

C#m7-5 Dm9

I Don't need no.... doctor...

C9 B9 C9

Cause I know what's ailing me

E7 riff (X2)

A/B

I've been too long away from my baby,

G/A F/G G/A

I'm coming down with a misery

I don't need no doctor

For my prescription to be filled (2X)

Only my baby's arms,

Could ever take away this chill

E7 (Drums only)

Now the doctor say I need rest

Before I need her tenderness

Put me on the critical list

When all I need is her sweet kiss

He gave me a medicated lotion

But it didn't soothe my emotion

C#m7-5 / Dm9 / C9/B9/C9 -

Solo over head

I don't need no doctor

For my hope to live is gone (2X)

All I need is my baby... please!

Won't you please come on home!
