How sweet it is to be loved by you X2

G Em
I needed the shelter of someone's
D7 C7
arms and there you were

I needed someone to understand
my ups and downs
and there you were
G C7
With sweet love and devotion
deeply touching my emotion (Gdim)

I want to stop/ and thank you baby

I close my eyes at night,

wondering where would I be
C7
without you in my life

Everything I did was just a bore,
everywhere I went it seems
I'd been there before
G C7
But you brightened up for me all of my days
With a love so sweet in so many ways

G C7
I want to stop/ and thank you baby

I want to stop/ and thank you baby
