

## Breathe in Breathe Out

C F Dm  
Breathe in, breathe out tell me all of your doubts  
C  
that everybody bleeds this way, just the same  
C F Dm  
Breathe in, breathe out move on and break down  
C  
If everyone goes away, I will stay.

Am Am/G  
We push and pull, and I fall down sometimes  
F G  
And I'm not letting go, you hold the other line

C FM7 Am G  
Cause there is a light, in your eyes, in your eyes

C F Dm  
Hold on, hold tight if I'm out of your sight  
C  
and everything keeps moving on, moving on  
C F Dm  
hold on, hold tight make it through another night  
C  
In everyday, there comes a song with the dawn

Pre-chorus / chorus / Into chords C -F only X2

Dm Em F  
breathe in, and breathe out X4

C F Dm  
Look left, look right to the moon and the night  
C  
Everything under the stars, is in your arms/Chorus out
