

# SUPER SLIM 4000

# NEW!

CE RoHS FC  

We did some research, and it turns out people don't want to carry around big bulky items with them all the time. They want the most amount of power in the slimmest of packages to fit into any bag, purse, fanny pack, pocket, glove box...etc. We have delivered that with our Super Slim 3000, you can charge your smart phone 1.33 times – Plenty of power, great branding area, and great color options that fit with most corporate logos. An instruction manual, USB charging cord, and white tuck box included.
