

POCKET POWER 3000

Keep your brand in your clients pocket. Ingeniously named because this product provides power that fits into any shirt, short, or pant pocket. With chrome accents and matte finish the pocket power 3000 is a good looking piece that has a large imprint area for any marketing message. Product also provides an emergency led light, so it's a great product to keep close by when the lights go out. An instruction manual, usb charging cord, and white tuck box are all included.
