Nina will always have my highest recommendation and thanks."

Caroline Cassar

"It was so nice to have someone like Nina helping us during our relocation to Charlotte. Her diligence and patience brought us to a place that is truly a perfect home for our growing family. She not only understood the real estate process, but also the emotional process of a relocation move from first-hand experience. That was a true asset and we will not hesitate to recommend her to our friends and neighbors!"

“It was nice to talk with you yesterday. I’m relieved to hear you are still our Realtor! After Victor called me that you had left Prudential I was so very upset!! No one can replace you! We appreciate all you have done for us so far. Thank you for all your help—it means a great deal to us. Prudential has lost one super agent! We wish you all the best.

Lucy & Victor Rodriguez

“I can now really appreciate the value of a real estate agent for selling our home. I just wish we had started the process with you in January. Thanks to you, I have a new-found understanding of what a top-notch real estate agent should do for a home seller. You set high standards and practices that other real estate agents would find difficult to meet. And I love your energy! You can bet that I would not hesitate to recommend you to anyone that is looking for an agent.

Dianne Parks

“As you may know, we moved to your firm with Nina, but I should really say we moved because of Nina. We were approximately three months into our contract when Nina told us of her decision to change to your organization. It would have been a perfect time for us to go with another realtor if we were not satisfied with Nina’s service. From the very beginning, Nina’s advice was right on. She told us what to expect in terms of length of time it would most likely take to sell our home and what we could realistically expect in price. She was correct on both. She combines warmth and friendliness with a very professional attitude and I would recommend her to anyone.”

Betty Nilsen

“Just wanted to extend our sincere thanks for all your time, effort and patience with us during our visit last week. You truly are a professional who goes above and beyond the call of duty. Your pleasant personality and undemanding manner are assets to be admired. Again, thanks for all your efforts to make us feel comfortable in Charlotte.”

Lynn & Howard

“Nina was very helpful, kind and straightforward. When I think of my experience with Nina, professionalism and respect stand out most in my mind. My experience with Nina

and your firm was a very positive experience. I feel I've made a friend in Nina and would highly recommend her."

Roger Katouch

"Wow! Amazing! Great! I don't think there are enough words to express how thankful we are for the service we received from Nina Hollander on the purchase of our new home. Her personal attention from the start was wonderful. We knew then that we had a top-notch person to work with! After we made a decision to build a new home, Nina continued to be a great support! She promptly attended all meetings with a smile on and was prepared. This included the contract, walk-through and closing phases. (Nina is so prepared that she even has her "walk through shoes." Finally at the end of the process, we had some issues with our lender. Nina helped calm our nerves, resolve the situation and again followed through with the issue. Overall, I cannot find enough words of gratitude to express to you, and especially to Nina Hollander, for making this a simple and enjoyable experience. Wow! Amazing! Great!"

Brenda & Wayne Lehtinen

"Buying a house is always a delicate decision and selecting the right product in an area which offers so many choices is not easy. For Catherine and I, this was maybe a bit more difficult since we are coming from Switzerland and were not familiar with the way things are done here in this respect. The whole process was tedious, but was made a lot easier because of the remarkable people who guided our steps along the way. Our Realtor, Nina Hollander, was of course perfect all along. We wish to thank you for the great professionalism, patience, and genuine desire to help and satisfy us displayed in every single meeting and discussions we have had together..."

Alain & Catherine Jendly
