The Horizon has been defeated
By the pirates of the new age
Alien casinos, well maybe its
just time to say

Things can go bad,
make you wanna run away
But as we grow older,
the trouble just seems to
C# B F#
stay....away X2

Future complications in the
strings between the cans
But no prints can come from fingers,
if machines become our hands

And then our feet become the wheels,
and then the wheels become the cars

And then the rigs begin to drill
until the drilling goes too..
C# B F#
..far X2

Things can go bad,
make you wanna run away
But as we grow older,
the horizon begins to
fade, fade away

But thingamajigs are puzzles
Anger, don't you step too close
Cause people are lonely and
only animals with fancy shoes

Hallelujahs zig zag nothing,
misery is hard to lose

Cause people are lonely and
only animals with too many tools
(D O N T P L A Y H E R E)

That can build all the junk that we sell
Aw, some time, man, make you wanna yell

Things can go bad,
make you wanna run away
But as we grow older,
the horizon begins to
fade, fade away
